	Trail

Memorial Tree The City of Washington Parks and Recreation Department sponsors the Memorial Tree and Bench Program, which allows groups and individuals to donate trees and benches to commemorate special events or as memorials to loved ones. Trees and benches purchased through this program are planted and placed in city parks, trails, and public areas. For more information contact the Parks Department at (636) 390-1080.

Lions Lake was built by the Washington Lions Club in 1955. The Lions planted many of the trees that exist today. In 1995, the park was re-dedicated and the Lions installed a fountain to celebrate the lake's 40th birthday.

TREE GUIDE

This tree guide will help you on your exploration of the Lions Lake Tree Walk
Enjoy your visit!

Tree 1: littleleaf linden
(*Tilia cordata*)

Tree 2: river birch (*Betula nigra*)

Tree 3: flowering dogwood
(*Cornus florida*)

In remembrance of
Donald F. Hillermann

Tree 4: paperbark maple
(*Acer griseum*)

Tree 5: American sweetgum
(*Liquidambar styraciflua*)

Tree 6: water oak (*Quercus nigra*)

Tree 7: eastern redbud
(*Cercis Canadensis*)

Tree 8: common hackberry
(*Celtis occidentalis*)

Tree 9: ginkgo (*Ginkgo biloba*)

Tree 10: thornless honeylocust
(*Gleditsia triacanthos inermis*)

Tree 11: eastern white pine
(*Pinus strobus*)

Tree 12: bur oak
(*Quercus macrocarpa*)

Tree 13: Siberian elm
(*Ulmus pumila*)

Tree 14: Norway spruce
(*Picea abies*)

Tree 15: sawtooth oak
(*Quercus acutissima*)

Tree 16: common baldcypress
(*Taxodium distichum*)

Tree 17: Chinese chestnut
(*Castanea mollissima*)

Tree 18: katsuratree
(*Cercidiphyllum japonicum*)

Tree 19: American sycamore
(*Platanus occidentalis*)

Tree 20: Chinese elm
(*Ulmus parvifolia*)

Tree 21: sugar maple
(*Acer saccharum*)

Tree 22: flowering crabapple
(*Malus* spp.)

Tree 23: pin oak
(*Quercus palustris*)

Tree 24: Accolade™ elm
(*Ulmus japonica* x *U. wilsoniana* 'Morton')

Tree 25: red maple
(*Acer rubrum*)

In remembrance of
Sparky Unnerstall

Tree 26: blackgum (*Nyssa sylvatica*)

Tree 27: shingle oak
(*Quercus imbricaria*)

Tree 28: shagbark hickory
(*Carya ovata*)

Tree 29: tuliptree (*Liriodendron tulipifera*)

Tree 30: green ash
(*Fraxinus pennsylvanica*)

Tree 31: willow oak (*Quercus phellos*)

Tree 32: pecan (*Carya illinoensis*)

Tree 33: swamp white oak
(*Quercus bicolor*)

Tree 34: dawn redwood
(*Metasequoia glyptostroboides*)

Tree 35: American beech
(*Fagus grandifolia*)

In remembrance of
Lester H. and Vera Vitt
