About the Handbook

This handbook is designed to introduce you to your role as a member of the Washington City Council. It is meant to be informative and helpful, yet simple to read. Sections of this book include roles and responsibilities of both the Council and staff as well as parliamentary procedures, ethics and administrative concerns.

Who we are

Washington, Missouri is located approximately 50 miles west of downtown St. Louis. It sits at the junction of state highways 100 and 47 with one of the few bridges over the Missouri River. It is an hour drive from downtown St. Louis via Interstate 44 or 70 and even less from the communities of St. Louis County.

Washington was one of the first American cities west of the Mississippi River and is located on the Missouri River at the point where the river reaches its most southern point. While not officially founded until May 29, 1839 there were settlers living at this location when Lewis and Clark started their trip west in 1804.

Today Washington is a thriving city with a growing population. A center for shopping and medical services for the surrounding area, it is a wonderful city of parks, churches, public and parochial schools, commerce and industry. Washington is the largest community between St. Louis County and Jefferson City.

Washington is a community of approximately thirteen square miles. The 2000 census shows the City with 13,982 residents and over 6,392 housing units. The City of Washington currently has 125 full time and 19 part time employees.

Municipal Government

Washington is considered a Third Class City Mayor-Council Form of government. This form can be found in all classes of Missouri Municipalities. Under the Mayor-Council Form the citizens elect the mayor at-large. The mayor clearly is the political leader of the community however a system of checks and balances allows the mayor some legislative functions such as presiding over meetings of the council and the power to veto council ordinances. The council is vested with some executive authority such as approval of the mayor's appointees and adoption of the city budget.

ROLES

The role of the governing body is to set policy for the City and to legislate. The Mayor is the presiding officer of the City Council who oversees the Council meetings, signs ordinances and resolutions and is the public face of the City. The Mayor appoints members of various boards and commissions with approval by the Council. The role of staff is to carry out the Council's policy guidance, provide professional advice and operate the City on a day-to-day basis.

CITY COUNCIL DUTIES AND MEETINGS

- Regular City Council meetings are held the first and third Mondays each month at 7:00 pm in the Washington Council Chambers in City Hall. A quorum of five is required to conduct business.
- An open work session is held the first Monday of the month from 6:00-7:00 p.m. prior to the City Council meeting.
- Meeting packets (agendas and additional material from staff) are posted to the City's website by noon on the Friday prior to the City Council meeting.
- All meetings are conducted using the parliamentary procedure of Robert's Rules of Order.
- A closed council meeting usually takes place toward the end of the meeting.
- All meetings are public (with the exception of closed meetings per Missouri Sunshine Law) and a quorum is required. If you cannot attend a meeting please let the City Clerk know prior to the meeting.
- Sunshine Law- "It is the public policy of this state that meetings, records, votes, actions and deliberation of public governmental bodies be open to the public unless otherwise provided by law. Sections 610.010 to 610.200 shall be liberally construed and their exceptions strictly construed to promote this public policy."

ORDER OF REGULAR MEETING AGENDA

- **Call the regular meeting to order:** Before proceeding with the business of the Council the City Clerk shall call the roll of members and the names of those present shall be entered in the minutes.
- **Pledge of Allegiance to the United States of America:** Please stand to join in the Pledge of Allegiance. (Recognize any Boy Scout, Girl Scout, etc.)
- **Approval of Minutes:** A motion is made, seconded and voted upon.
- **Approval of Agenda including Consent Agenda:** The consent agenda may contain financial reports, change orders, pay requests and other items. If there are no changes a motion is made, seconded and voted upon.

- **Priority Items:** Presentations by civic organizations or others requesting to present to the Council, proclamations, appointments and reappointments to Boards & Commissions. Appointments & reappointments require a motion to accept and approve and voted upon.
 - Proclamation- A ceremonial document used to honor local or national public awareness/celebrations.
- **Public Hearing:** During the public hearing we typically hear first from staff and then from the applicant followed by either those in favor of or those opposed to the application. A motion is made to accept the public hearing into the minutes, seconded and voted upon.
- **Citizens Comments:** Citizens have the opportunity to address the Council on any matter not on the agenda.
- **Report of Department Heads:** Department Heads have the opportunity to report to Council.
- **Ordinances/Resolutions:**
 - Bill - Introduced as an agenda item. After passage the City Clerk assigns it a number and it becomes part of the Code of Ordinances.
 - Ordinance - Formal legislation that creates law when passed or prescribes government conduct. Four types:
 - *General-* Creates laws and regulates conduct.
 - *Special-* Single, special purpose (contracts or projects).
 - *Appropriation-* Pay government expenses or appropriate money.

The bill is read twice by the Clerk. The first time is to place it on its first reading. The second time is to accept the first reading and place the bill for a vote. Ordinances are voted upon with a roll call vote.

- Resolutions- Represents an act done through ministerial powers of the Council. Could be temporary, establish policy, declare intent, find facts or ceremonial. Resolutions are introduced and seconded then voted upon by Council.

- **Commission, Committee & Board Reports:** Any Commission, Committee or Board that needs to report does so here. Usually requests for Preliminary and Final Plat approvals from the Planning & Zoning Board are placed here.
- **Mayor's Report:** The Mayor has an opportunity to report on any matter necessary.
- **City Administrator's Report:** The City Administrator reports to Council on matters not previously addressed.

- **Adjournment:** With no further business to discuss a motion to adjourn with a second and is voted on.

Motions and Votes

- **Motions-** Parliamentary procedure constitutes a formal tool for taking action. Motions are statements that describe a proposed action or decision and used to act on business not requiring a bill or resolution.
- **Votes –** The City uses two (2) methods of voting; consensus vote where there is no opposition or only one or two opposed and roll call vote for passage of an ordinance or if there are more than two (2) opposed to a motion.

THE SUNSHINE LAW

All government entities and their boards and commissions must comply with the Missouri Sunshine Law. The Law, somewhat complex, requires all meetings of boards or commissions to be open to the public. It also requires that meeting dates and times be posted at City Hall at least 24 hours prior to the meeting, exclusive of weekends and holidays.

If a public announcement system is available at the meeting location it should be used. The public should be able to hear what is going on however, depending upon the rules and procedures of a given board or commission, the public does not necessarily have the right to participate in those discussions.

The Law does provide for closed meetings only for very specific subjects such as the purchase of real estate, discussion of a specific lawsuit or the disciplining of personnel. The City of Washington believes very strongly that the City Council and all boards and commissions have the responsibility to not only honor the letter of the Sunshine Law but to honor the spirit of the law as well.

Missouri Sunshine Law Booklet: <https://ago.mo.gov/missouri-law/sunshine-law>

CONFLICTS OF INTEREST

Conflict of interest questions arise periodically at all levels of government and can be very complex. Generally, a legal conflict of interest occurs when a councilmember is slated to vote on a matter (1) involving themselves or a member of their family by blood or marriage; (2) involving a business owned in whole or in part by a councilmember or a member of his family by blood or marriage; or (3) when the outcome could be economically advantageous to a councilmember or a member of their family, or to a business owned in whole or in part by a councilmember or a member of his family. In such cases there is no question that a councilmember has a responsibility to disclose this information to the rest of the commission and to abstain from all discussions and votes on the matter.

In addition to those situations in which there is a conflict of interest, all councilmembers must be aware of situations in which there is an appearance of conflict of interest. In some cases a matter may be pending before a board or commission which will not benefit a councilmember or a member of their family in any way but the general public may perceive that a conflict exists. In some cases an individual's allegiance to an organization, group, employer or institution may leave doubt in the public's mind as to that member's ability to make an objective determination. Although there may not be any legal preemption from voting under such circumstances, prudence should prevail. A councilmember should consider excusing them self from discussions and votes

in such circumstances or disclose the circumstances and make a statement that the circumstances will not influence the decision.

Openness is the best policy. When issues arise discuss with other members of the City Council, City Administrator or, if necessary, with the City Counselor. If you are in doubt the safest course of action is to abstain from participating in any discussions on that particular issue. Abstention from an issue should include physically leaving the room where the City Council is meeting during the period the matter is discussed or acted upon unless it is necessary to remain in the room to maintain a quorum.

SUPPLIES/COMMUNICATION

- A tablet/iPad is issued to each councilmember upon beginning their term to be used during City Council meetings to follow along on the agenda as well as receive/send email and view packets sent by the City Clerk and City Administrator.
- Each Councilmember will be provided with personalized business cards and a nametag that will be ordered by the City Clerk.
- An email address is created and assigned for each Councilmember and citizens are given that email as their contact. Staff strongly suggests Councilmembers check their email daily as staff uses it to communicate with the Council frequently.

Generally, communications with staff are best handled through the City Administrator. This ensures the City Administrator, who is responsible for the operations of the staff, is aware of concerns and requests that members of the governing body have and can ensure those concerns and requests are being addressed. Direction to staff is typically performed through the City Administrator.

Inquiries from Councilmembers directly to leadership team members are acceptable although it is encouraged that you run those through the City Administrator as well. If a councilmember emails a staff member directly he is encouraged to please “cc” the City Administrator.

If a councilmember receives a citizen complaint or question it is suggested you contact the City Administrator who will direct the staff to respond to the concern.

Most communication from the City Administrator's office will come in the form of an email or text. Occasionally the Council may receive publications, periodicals or written correspondence from the community. This mail will be held in the City Clerk's office until the next City Council meeting unless other arrangements have been made.

COMPENSATION

Councilmembers receive \$6,000 and the Mayor receives \$12,000 annually; however, the payment is processed quarterly via direct deposit. Councilmembers are eligible for health, dental and vision insurance at the City's premium rate. Funds for training and attendance at conferences are budgeted and paid directly by the City. These events will be coordinated and scheduled through the Executive Assistant.

Events/Conferences include:

- Missouri Municipal League Legislative Conference February
- Franklin County Municipal League Dinner Meeting April/July/October
- Missouri Municipal League Elected Officials Training June
- Missouri Municipal League Annual Conference September

The City will also pay directly for registration at government-related events like luncheons or dinners. Reimbursements can be coordinated through the City Clerk or Executive Assistant.

ADVISORY BOARDS AND COMMISSIONS

Boards and commissions in the City of Washington are an integral and important part of the City's government. Residents such as you, who serve on a board or commission, dedicate many hours a month without compensation to make the City of Washington's government as reflective as possible of the attitudes and beliefs of all residents.

Board and commission members are appointed by the Mayor with the approval of the City Council. A resident may express an interest in serving on a particular board or commission to a member of the City Council or through volunteer work within the community. A resident may be asked to serve on a particular board or commission. The City Council seeks to appoint individuals who have the appropriate skills and interests for a given board or commission and strives to select a representative cross-section of the Washington community.

While some boards and commissions draw their authority from state statutes others receive their authority from local ordinances. There are some distinct differences between boards and commissions. With the exception of the Board of Adjustment and the Board of Appeals, boards and commissions serve in an advisory role to the City Council. They may study specific issues such as a change in zoning, or they may provide general suggestions for a specific government function, such as the Parks and Recreation Commission. In either event, the City Council receives important recommendations and information from these committees, but retains the ultimate decision making authority.

Role of Council Liaison

The Mayor appoints at least one City Council Member to be a liaison to each board or commission within City government. Whether the Councilmember is actively involved in the group's discussions depends somewhat on the nature of the work that the board or commission performs, as well as the desires of its members.

It is not unusual to have a member of the City Council attend various board and commission meetings from time to time. Some members of the City Council do this solely to become more familiar with board and commission members, as well as the work of the group itself.

City Administrator's Office

The City Administrator's Office coordinates all staff activities for the boards and commissions. The City Administrator is represented at all board and commission meetings by a staff person who is appointed by and responsible to the City Administrator through the appropriate department head. The staff liaison's principal role is to provide technical support to the boards and commissions and to facilitate the flow of information between the Mayor, City Council and the boards and commissions.

The staff liaison is responsible for keeping the City Council informed of all board and commission activities through the department head. If a board or commission member has a specific concern about the role of a staff liaison he or she should contact the City Administrator.

City Counselor's Office

Calling or meeting with the City Counselor is normally coordinated through the City Administrator to assist in obtaining the most efficient use of legal services and to control legal costs. The City Counselor does not attend most board or commission meetings. When legal questions arise and it is necessary to confer with the City Counselor the matter should be rescheduled to a subsequent meeting. The staff liaison will arrange for the City Counselor's involvement.

Removal or Resignation

- ◆ **Removal.** Board or Commission members serve at the pleasure of the City. The Chair of the Board or Commission, the Council liaison, or the City Administrator may recommend consideration of a member's removal to the City Council. The reasons for removal may include, but are not limited to:
 - Inappropriate and/or malicious use of social media. Members whose actions result in using social media in an inappropriate and/or malicious manner may be removed from the board or commission.
 - Continuous absences from all regularly scheduled meetings. Members who impair the proper functioning of the board or commission due to their constant inability to

attend meetings or to participate in board or commission activities may be removed from the board or commission.

- Misconduct at meetings. Members whose actions seriously interrupt the orderly process of said meetings may be removed from the board or commission.
 - Neglect of duty. Members who intentionally disregard duly assigned tasks or repeatedly fail to carry out the responsibilities expected of a board or commission member may be removed from the board or commission.
 - Ineligible to Serve. Members who do not maintain the eligibility requirements for appointment to the board or commission may be removed.
- ◆ **Resignation.** Board or commission members may resign by giving appropriate written notice of resignation. The chair shall notify the entire board or commission and/or the City Administrator's Office, and/or the Mayor. A board or commission member who resigns his or her position may apply for re-appointment at a later date
