

Washington Traffic Commission  
301 Jefferson Street  
Washington, Missouri 63090

The next meeting of the Washington Traffic Commission will be held on February 7, 2020 at 8:00 a.m. in the Police Department Conference Room.

The following item(s) are presently on the agenda.

**OLD BUSINESS:**

4A 19-09-0016 Complaints about signal settings at Mo 47 and Blue Jay Drive: The committee has been in contact with Mo DOT about the signal timing at this intersection and has received a response from Mo DOT's engineers with a proposal to change the frequency and times of day that the lights switch from cycle to flash. A response was sent back to Mo DOT informing them that it is the preference of this committee to have the signals upgraded to operate on sensors and cycle full time. A letter was also collected from the school district supporting this request and has been sent to Mo DOT as well. We are awaiting their response.

**NEW BUSINESS:**

5A 20-02-0003 Request from resident at 626 E 7<sup>th</sup> Street to add signage: The resident at this address has a child with disabilities and has requested that the city add signage with "Sensory Impaired Child" or similar verbiage on it.

5B 20-02-0004 Parking complaint on Madison Avenue in front of State Farm: The committee received a complaint from a resident that during the week, both sides of the street are lined with cars making it narrow at the crest of the hill and on the curve.

5C 20-02-0005 Review of development plan for Shoe Factory Lofts: This committee is to review the proposed development plans prior to planning and zoning, and specifically will discuss the addition of parking stalls in the area.

5D 20-02-0006 Parking complaints on Elm Street and 4<sup>th</sup> Street near the parking lot belonging to 310 Elm Street: The new business at this address has a large parking lot at the southeast corner of the intersection which has large areas of ingress and egress along both Elm and 4<sup>th</sup> Streets. They have been having issues with vehicles blocking these areas.

5E 20-02-0007 Review proposal from police department to install intersection cameras: Mike Grissom will address the committee in regards to a proposal to add video cameras to major intersections as a part of the city's existing camera network.
