**OLD BUSINESS:**

4A 21-03-0003 Lime Scooter Status update: No new issues or complaints were noted since the last meeting. Allison Forms with Lime was present and indicated that they would begin deploying additional scooters in our area once again with the weather warming up. Over the winter months, Lime had reduced the number of scooters that they placed in service due to lower use. (OPEN)

**NEW BUSINESS:**

5A 22-03-0001 Street closure applications: The committee discussed street closure applications for the Fall Festival and Holiday Parade of Lights. Both applications had already been reviewed and approved by the necessary city staff. The street closures were approved by Traffic Committee. The committee also noted that BBQ and Blues Fest, Washington Homecoming, Farm to Table, and Art and Wine Fest also had applications that had been reviewed and approved by the committee early this year. (CLOSED)

5B 22-03-0002 Sign removal request on Rabbit Trail Drive: Street Department received a request to remove the “Street Not Through” sign on Rabbit Trail Drive since the signage no

longer applies. The resident also requested that we replace the sign with a speed limit sign. The committee discussed and noted that the only speed limit sign for Southbound Rabbit Trail was near Hwy 100. The committee noted that several other major through streets feed into Rabbit Trail between the location of the lone speed limit sign and the proposed additional location. The committee agreed to add the additional signage. Street Department will handle the install.
