

Construction is scheduled to begin Monday September 18th at the intersection of Bluff Road and Westlink Drive. Most of the work will be off the roadway north of the intersection with occasional lane closures of southbound Westlink Drive and Northbound Bluff Road lanes. Signs and flaggers will be present when this occurs. Please use caution in the area and watch out for workers.

This work should take about 2 weeks. Weather delays may affect this schedule. Work will be completed between the hours of 7 AM and 7 PM.

This work will be followed by asphalt paving of Westlink Drive sometime in October. Further update to follow with dates and times. Thank you for your cooperation while we complete this project.
