

Request for Proposal

The City of Washington, MO (City) is seeking proposals from qualified companies to perform collection processing, hauling and disposal of residential solid waste, recyclables, and bulky items. As well as optional alternate proposals for design, construction, and operations of a new transfer station. The operation of the Transfer Station includes the loading and processing of all waste received, as well as transportation and disposal of all solid waste. Any contractor that wishes to provide such a proposal for services shall submit said proposal utilizing the following information and instructions.

Sealed proposals will be accepted until September 27, 2024 at 10 am and shall be hand delivered to
Sherri Klekamp, City Clerk, at:

City Hall, 3rd Floor
405 Jefferson Street
Washington, MO 63090

Sealed envelopes shall be clearly labeled “2024 Residential Solid Waste, Recyclables, Bulky Collection Hauling and Disposal”. Two copies of the proposal shall be included within the sealed envelope. Proposals by mail or fax will not be accepted. Unsigned proposals will not be accepted. Proposals arriving after the above specified time will not be accepted.

Each proposal will be opened and publicly read beginning at 10 am on September 27, 2024 in the office of the City Clerk.

The full Request for Proposals may be obtained at City Hall, Engineering Department, 405 Jefferson Street, Washington, Missouri or requested by email to:
